## **DETAILED ACTION**

### ***Response to Amendment***

1. The amendment to the claims filed April 14, 2006 overcomes the rejection to claims 5 and 37 under 35 USC § 112, second paragraph, the rejection to claims 1-3 and 33-35 under 35 USC § 102(b), and the rejection to claims 21-24, 27-30, 40 and 41 under 35 USC § 103(a). Note that claims 5 and 6, which are directed to a process for synthesizing an organometallic compound, does not exclude the metal amide compounds made in the '687 JP patent. Further note that although the instant process and the '687 JP process are different, their respective products are not (titanium and zirconium metal amides). Therefore, the raw solutions containing said metal amide compounds, as well as their respective metal nitride thin films, are anticipated over the '687 JP patent and are obvious over the '687 JP patent in combination with Zenzaki et al., respectively. Thus, the rejection of claims 36 and 37 under 35 USC § 102(b) and the rejection of claims 25, 26, 42 and 43 under 35 USC § 103(a) stand.

### ***Allowable Subject Matter***

1. Claims 3-20, 23, 24, 29, 30, 35, 40 and 41 are allowed.

### ***Conclusion***

2. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

Art Unit: 1621

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
